

# Masatake Haruta Memorial Symposium

Connecting the Discovery of  
Catalysis by Gold Nanoparticle  
to the Future

## Gold nanoparticles

9<sup>th</sup>, December, 2022

(from 15:00 (Jp), 14:00 (Ch), 6:00 (UK) for 3 hours)  
(Online connection will be available 15 min before)

Place: Auditorium, Tokyo Metropolitan University and online

Organizing: Research Center for Hydrogen Energy-based Society (ReHES),  
Tokyo Metropolitan University

Co-organizing: Catalysis society of Japan

Fee: Free (Please register for participation for administrative contact.)

Registration: Please register via URL (<https://forms.gle/EmibH59hLwQKw5KP6>),  
QR code, or email to the address at the bottom  
(name, affiliation, contact information).

Register here

### Presentation

-General Introduction from  
organizer

-Prof. Mitsutaka Okumura  
(Osaka Univ.)

-Prof. Jiahui Huang  
(Dalian Institute of Chemical  
Physics, China)

-Prof. Graham Hutchings  
(Cardiff Univ., UK)

### Contact

Tetsuya Shishido, Tamao Ishida, Toru Murayama
